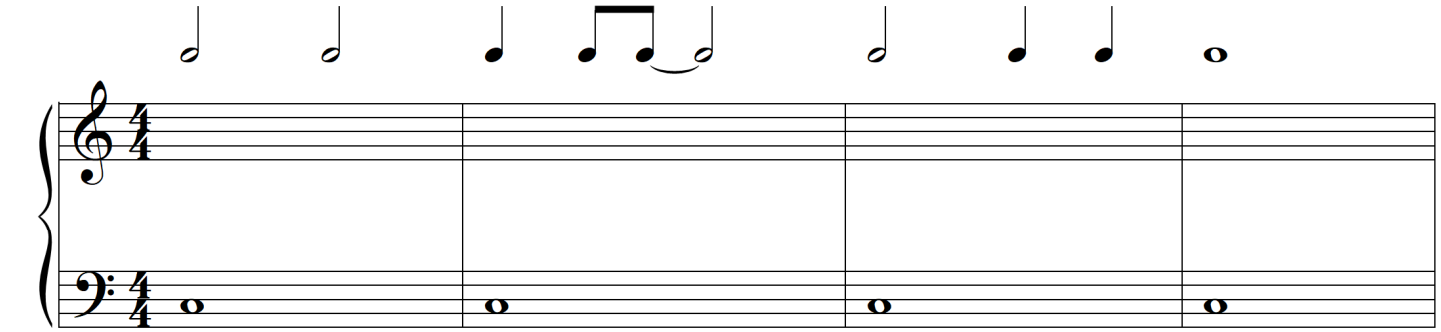
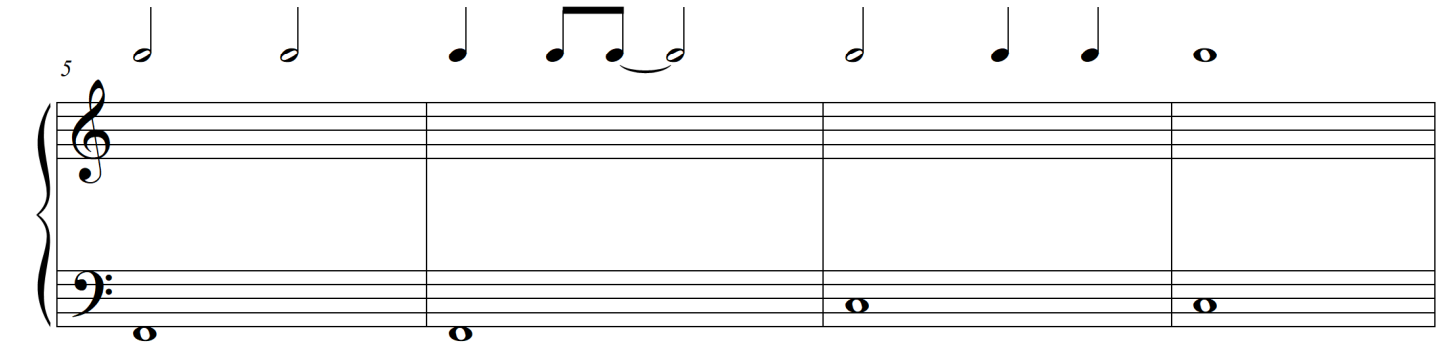
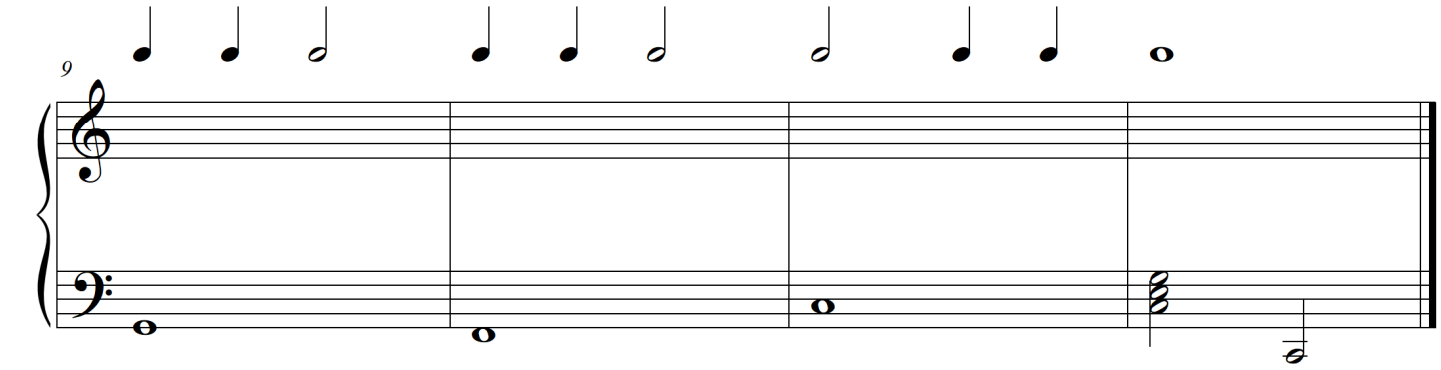
_____ 's Blues

Below is the 12 bar blues progression in the key of C. To compose your piece:

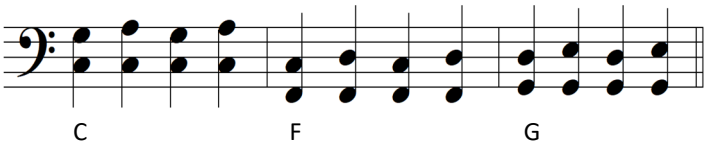
1. Choose one of the patterns at the bottom of the page and complete the left hand in measures 1-11 by adding the remaining notes of the pattern you chose to each measure.
2. Create a melody using the C five-finger scale to fit the given rhythm, then write it on the staff. You may also use the "blues" notes of E-flat and B-flat in your melody if you like.
3. Play your piece and add dynamics and/or articulations to make it sound complete.







Pattern 1



Pattern 2
