

The 12 Days of Christmas

a holiday practice challenge

1 Sight-read one new Christmas song.	2 Perform two Christmas songs for your family or friends.	3 Play the three favorite pieces you have learned this year.
4 Play the first four measures of your favorite Christmas song from memory.	5 Play five scales of your choice.	6 Write down six music vocabulary words and the definitions of each.
7 Draw seven musical symbols on a blank piece of paper.	8 Find a new piece in your book and clap and count the first eight measures.	9 Draw nine treble clefs on a blank piece of paper.
10 Listen to ten minutes of classical music.	11 Find a new piece in your book and sight-read the first eleven measures.	12 Find a new piece in your book and name each note (or analyze each chord) in the first twelve measures.
