

The Fabulous Fifteen Piano Task Challenge!

How many of the following tasks can you complete? You may complete the tasks in any order. Put the date you completed each task in the box provided.

Task	Date Completed
1. Perform a “mini-recital” of at least 3 of your favorite pieces for a friend or family member.	
2. Sight-read 3 pieces you have never played before.	
3. Attend a concert of live music (or watch a pre-recorded concert if you are not able to attend one in person).	
4. Teach a friend or family member who doesn’t play the piano how to play an easy song (for example, “Twinkle, Twinkle Little Star”).	
5. Visit the website ClassicsForKids.com and listen to the podcast on the homepage about the composer of the week.	
6. Improvise an original piece of music using only the black keys. Give your piece a creative title and write it here:	
7. Look up 3 facts about your favorite composer and listen to one of their pieces that you have never heard before. Write the name of the piece here:	
8. Play a piece from your repertoire list in a creative way. For example: change the piece from major to minor, change the tempo, change the dynamics, or play the melody in a different octave. Give this piece a new title to reflect the changes you made and write it here:	
9. Visit the website ClassicsForKids.com and play one of the music games featured on the home page.	
10. Open your piano book to a random page and do the following: 1) name every note on this page, 2) clap the rhythm of the melody, 3) identify every musical symbol you see.	
11. Set a timer for one minute and draw every kind of rhythm note and rest you can remember. How many symbols did you draw? Write the number here:	
12. Set a timer for one minute and write down every Italian music vocabulary word you can remember. How many words are on your list? Write the number here:	
13. Visit the website ClassicsForKids.com , click on “Fun Facts” at the top of the page, and watch one of the videos.	
14. Technique Time! Play every scale you have learned.	
15. Go to the piano and play a piece that just makes you happy. Write the name of your “happy piece” here:
