Worksheet #3: Drawing complete measures

All aboard! It's time to practice notating a complete line of music! Can you copy each line exactly onto the blank staff below it? Ready? Let's notate!

1. Copy the following measures onto the blank staff, including the clef, time signature, and barlines. Be sure that your stems are pointing in the correct direction!

2. Copy the following measures onto the blank staff, including the clef, time signature, and barlines. Be sure that your stems are pointing in the correct direction!
