

The Haunted House

**a spooky, story-based
improv activity**

Directions: Create your own sound effects at the piano to accompany this story! As you read, play a sound on the piano to match the story whenever you see this symbol: 🎵

Do you dare to go into the haunted house? Let's walk slowly up the steps to the front door and take a peek! 🎵

Let's open the front door...it opens with a loud creak! 🎵

As we look into the doorway, we hear a faint noise coming from upstairs. 🎵

We decide to investigate and walk quietly up the stairs, pausing between each step. 🎵

We hear the strange noise again, even louder this time! 🎵

Suddenly, from outside the house we hear a clap of thunder! 🎵

Let's get out of here! We run down the steps as quickly as we can and back to the front door. 🎵

We open the creaky door, run outside and close it with a bang! 🎵

That's enough exploring for one day—whew! The end.
